His Dream for Freedom

Martin Luther King, Jr. gave a famous speech. He said that he had a dream. He dreamed of freedom and equality in America. He hoped that one day people of all races would live together in peace.

Being cultured means having a certain level of awareness on topics such as other societies, current political developments, literature, and sciences. Furthermore, anthropology teaches us that all cultural groups are constantly learning and adopting ideas from one another. This approach requires one to suspend judgement about practices that may seem unusual or even "wrong" at first glance, and to attempt to look at the world through the eyes of another. Today, much of this information is available online. If you're seeking answers regarding the world and culture, you can browse through the culture category. People with different rituals may expect their partners to take part. Cultural integration at work In the workplace, cultural integration makes collaboration easier. Forced integration leads to a culture that's watered-down, not full. Ethnocentrism vs. Because culture is learned, it is both symbolic and ever-changing. Because we each grow up surrounded by familiar practices, or people who mostly act like we do, it is not unusual to find some ethnocentrism in all cultures around the world. In order for this kind of integration to be successful, everybody must adapt. What culture or cultures do you identify with? It also happens on different levels. Ultimately, this is great for the business because it allows diverse opinions. Then, fill in a synopsis or quotation from the ethnographic data in the eHRAF culture summary.
